A CHRISTMAS CAROL

Worksheet 2

1. **Scrooge as a comic tyrant**

Discuss how this adaptation presents Scrooge as both *comic* and *cruel* in Act One.

In your answer, refer closely to:

- his language towards Bob Cratchit and the carollers
- the exaggerated physical stage business (water, coughing, coins, etc.)
- the use of humour to make his behaviour both entertaining and disturbing.

2. **Social criticism and the poor**

How does this version of *A Christmas Carol* use its scenes with the poor to criticise modern society, not just Victorian society?

Refer closely to:

- the scene with the three charitable ladies
- the Cratchit family scenes
- the “Ignorance” dummy character and his language.

3. **The role of music and songs**

Discuss how music and songs are used in this adaptation not just for atmosphere, but for meaning.

In your answer, analyse at least two songs (for example *Good King Wenceslas*, *In the Bleak Midwinter*, *Humbug*, or the Ghosts’ songs) and explain how the lyrics and staging help us understand Scrooge’s emotional journey.
